

**GENDER EQUALITY

IN PORTUGAL**

THE CHALLENGE PROPOSED TO 9TH GRADE STUDENTS:

GENDER EQUALITY EVOLUTION FROM XXTH CENTURY TO TODAY – DO MEN AND WOMEN HAVE EQUAL RIGHTS?

In the History class we did research on the evolution of women's rights:

- We created a timeline.
- We focussed our attention on women on the lead, in arts, in science and politics.

In the Art class we projected a panel with national and international female symbols, that marked this evolution.

- The panel intends to honour all women who are part of History.
